TO  
SAVE  
...  
EVERY-  
ONE...

I...  
I  
NEED  
TO...

*Kill*

...I'M... I'M  
GOING TO  
RESTORE...  
THE WORLD  
...

I'M  
GOING TO  
BRING...  
BRING  
BACK MY  
HOME-  
TOWN...

AHA  
HAH  
AHA  
HA!

...No.  
The  
Ancient  
Is...

desperately  
following  
the will of  
the World...

Ah!  
Cowards!  
You were  
faking it!

THE  
WORLD!  
THE NEW  
WORLD!!

WE WILL  
BECOME  
THE  
KINGS  
OF THE  
NEW  
WORLD!!

PRO...  
PROT-  
ECT...

I... I  
WILL...

EVERY-  
ONEEE...

!

Sheesh

No matter  
when and  
where, you...

That's  
right... You  
wanted to  
save them  
too...

AHAH  
AHA  
HAH  
A!!

AHAH  
AHA!

Helck...

Please  
finish  
him.

Helck  
...  
You don't  
need to  
hold back.

Yamirio-  
sama!  
The  
terminal!

A  
voice.

It's  
not  
the  
King.

Who's  
talking?

29

so now  
I can finally  
convey my  
will to you...

The mind  
within the  
King of  
Control has  
become  
unstable.

The original  
mind that had  
transferred  
over to the  
King of  
Control.

I'm an  
Ancient  
resting  
within the  
terminal.

I am a copy  
of the original.  
Now, a second  
copy of myself  
is acting as my  
mind inside  
the King of  
Control.

The  
original  
already  
perished  
alongside  
the destruction  
of the Old  
World.

No... To  
be precise,  
I shouldn't  
call myself  
the  
original.

It can't  
be...

Copies?

No matter  
what we did,  
we couldn't  
leave this  
terminal.

It wasn't  
possible  
to actually  
transfer  
a mind.

When we  
transferred  
our minds to  
someone, it  
merely spawned  
another mind  
with the same  
set of  
memories.

HA  
HA  
HA  
!

Please  
free my  
other self  
from that  
accursed  
mission...  
for his  
sake.

Please  
finish us  
by your  
own hands,  
if you can.

Heick...

We  
should've  
been  
destroyed  
along with  
the Old  
World.

"I want to  
save my  
comrades"...  
I understand  
that feeling  
painfully  
well...

I despise  
you for  
using my  
comrades  
and  
hurting  
them,  
but...

No matter  
much you  
were  
attacked,  
you would  
always  
protect the  
terminal...

I  
noticed  
it.

*...I'm  
sorry.  
As you  
said,*

*it seems  
this is  
all I'm  
capable  
of doing.*

Once  
the King of  
Control is  
dead, she will  
immediately  
regain her  
senses.

Charami  
is causing  
the snow to  
fall as we  
speak.

...  
Thank  
you.

33

Our world  
has been  
destroyed,  
but this  
world has  
yet to be.

Helick,  
you are the  
embodiment  
of hope.

You will  
change  
everyone's  
despair  
into hope.

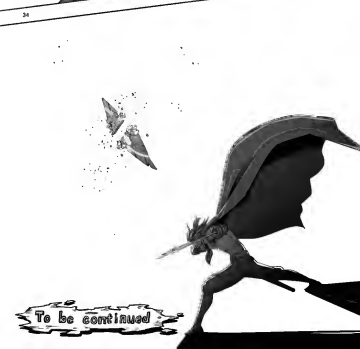

Yeah...

somehow,  
protect this  
world for  
them.

Please
